Products used for treatment of swimming pool water — Powdered activated carbon

BS EN 15799:2022 BRITISH STANDARD

National foreword

This British Standard is the UK implementation of EN 15799:2022. It supersedes BS EN 15799:2010, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CII/59, Chemicals and filtering media for water treatment.

A list of organizations represented on this committee can be obtained on request to its committee manager.
